Dear NRCS District Conservationist:

I am the owner of land [legal island land identification number] that is leased to [name of lessee]. He/she has applied for assistance under the United States Department of Agriculture's Environmental Quality Incentive Program (EQIP).

I understand that your agency has recommended some conservation practices and management measures needed to address some of the long-term problems on this land. Some of the recommended practices may include: [**list structural conservation practices to be installed**].

As required under the EQIP program, I hereby concur with the installation of the structural practices that address the resource concerns on this land. I also understand that my concurrence would not, in any way, obligate me to operate or maintain any of these practices.

If there are any additional requirements or information required, please contact me.
